VETERAN OWNED

As a disabled marine, Tyler has the time to gain knowledge and experience on multiple instruments and genres. He uses his 20 years of experience and constantly evolves as a musician. He follows the latest trends but uses techniques from the past to build a well-rounded knowledge base. He enjoys learning new techniques all the time from artists that enter The Guitar Vault. He learns from beginners as well as advanced musicians.

FEMALE INSTRUCTOR

Karly is a student under Tyler and our head teacher. She has been learning from him for 5 years and is constantly expanding her knowledge. She can break hard concepts down for easier comprehension. Her customer service demeanor and caring personality make her a nurturing and encouraging instructor. She has worked in customer service for over 10 years.

"

My daughters are taking lessons from Karly and Tyler. My oldest is taking Violin with Tyler. My youngest is taking Piano with Karly. They are both incredibly patient with my girls.

"

They offer lessons on drums, guitar, piano and more. Stop in some time, it's a great place with a great atmosphere. Tyler and Karly are super nice and very knowledgeable in music and instruments.
