### Presentation

#### Come Play with Us!

Join us as Floyd Hinman, Program Development Specialist, will lead us through activities that support personal and family connection, and growth in a fun, playful environment. These activities are easy to learn, and you will be playing them for years to come! We will do a little moving, a little shaking, and use common household items to engage the ways we think and play. This is a family event. The whole family is invited!

#### Presenter

Floyd Hinman, BA, ABC  
Program Development Specialist  
National Resource Center for Youth Services

### Come Play with Us!

Click the registration link at least one day before training to receive the Zoom meeting information.
