

# OKLAHOMA KINSHIP, FOSTER, & ADOPTIVE FAMILY

## Online Support Group Meeting

### SUPPORT

### INFORMATION

### RESOURCES

#### Presentation

*Are you puzzled by your child's behavior or not sure if what you are seeing is normal? Among the behaviors which cause the greatest distress for children and caregivers, Problem Sexual Behaviors (PSB) may cause children to be treated punitively, labeled as perpetrators, and put their placements at risk. This conversation will describe typical vs. Problem Sexual Behaviors and give guidance from clinical evidence on how to supervise and treat these behaviors.*

#### Presenter

**Roy Van Tassell**

Centene Corporation  
Tulsa, Oklahoma

#### Understanding and Responding to Problem Sexual Behaviors in Children 12 and Under
