### **Honoring your child's Kin, Culture, and Community**

Research indicates and we believe:

- every child and family are unique
- all family separations create loss
- all resource families need to bridge gaps and create spaces for connection and healing

We will reflect on some personal experiences, expectations, and suggestions for navigating hard feelings that might bubble up from the child, natural family, ourselves as a kinship/foster/adoptive family and even extended community around blended families.

**Training Credit:** *Parents in attendance will earn 2 hours of in-service training credit toward your annual 12-hour requirement. Come connect and learn with other kinship, foster, and adoptive families in Garvin, McClain, and surrounding counties.*
