This month we welcome Cayla Mortin, Certification Director for Circle of Care. Cayla has worked for Circle of Care since May of 2018. Prior to her current role, she was a Family Specialist (case worker) and a preschool teacher before that. Cayla's professional career has led her through the trenches of OKDHS and licensing policies, requirements, and standards. Cayla enjoys sharing her knowledge of the system with others, and if she doesn't have the answer, she's always happy to go find it!

In this Support Group, we will review and discuss the following:

1. OKDHS policy on discipline; what it is and how to access this online
2. How to approach a child who has experienced trauma
3. Resources for appropriate disciplinary techniques

Training Credit: Parents in attendance will earn 2 hours of in-service training credit toward your annual 12-hour requirement. Come connect and learn with other kinship, foster, and adoptive families in Garvin, McClain, and surrounding counties.
