Questions & Answers about My Life Story Book

Q. What do I do with My Life Story Book?

A. This book has been given to you to help you collect lots of different information about your life. You can use it like a diary to help you remember things about growing up, your family, your school days, the places you have lived and other things about yourself. This book belongs to you, and you don't have to show it to anyone if you don't want to. You can choose someone to help you with the book if you like, or you can just put things in it by yourself – it's up to you!

Q. Why do I have to use this book?

A. You don't have to use this book if you don't want to. The reason why it has been given to you is to help you collect lots of information about your life so that you can remember what it was like growing up. Sometimes grown-ups want to remember things about when they were kids, but can't because it was so long ago. This book will help you remember important things and you can look back on it as you get older.

If you do not want to use *My Life Story Book*, your carer or caseworker might still keep some information about you growing up so that you might be able to add it into the book later on if you like. If you want to keep some memories, but don't want to use this book, you could also use a treasure box, an exercise book, a photo album or a video. The important thing is to keep some memories of your time growing up.

Q. Where do I keep my book?

A. The best place to keep your book is where you think it will be safe. It's important to look after your book so that you can look back over it when you are older and be able to remember your time growing up. If you think the book would be safest with you, then keep it with you where you live. If you think that the book will not be safe or get wrecked where you live, then you could ask your carer or caseworker to look after it for you.

Q. When do I write in my book or add stuff to my book?

A. This book is there for you to use whenever you want to add some information about yourself in it. So, you can write a little bit every day, or leave it for a while and write only sometimes when you feel like it. The important thing is to keep adding bits to it all the time so that it has lots of information in it about you growing up.

If you have decided that your book is not safe with you where you live, then you need to make sure that you can see the book from time to time to add things in it. Your caseworker might sometimes ask you how your *My Life Story Book* is going, and may sometimes even have things for you to put in your *My Life Story Book*.

Questions & Answers about My Life Story Book

Q. What if I need extra pages to write things on?

A. Your caseworker will be able to give you extra pages for *My Life Story Book*.

The pages you can re-order are called, 'Health Record', 'Visits with My Family', 'Awards & Certificates', 'Places I Have Lived', 'What Makes Me Happy', 'What Makes Me Sad', 'Things I Like to Do', and 'In the Future'. If the page you want is not on this list, the book has lots of blank pages in it that you can use to write extra things on, draw on or paste pictures on. You can also ask for more of these blank pages. Let your carer and/or caseworker know which extra pages you need and they will order them for you.

Q. Can I add other things to My Life Story Book?

A. Yes you can. You might like to add photos, a copy of your birth certificate, drawings, school report cards, awards and certificates, postcards or pictures of the place you were born, a drawing of your family tree, and information about holidays and special trips you have been on. These are just some of the things you might like to add to your Life Story Book, but you can add anything you want.

Q. Who can help me with My Life Story Book?

A. Your carer and/or caseworker are there to help you with your book. Your carer can help you collect things like photos, awards and certificates or reports from school to put in your book. Your caseworker will want to make sure that information about you growing up is kept, so he or she might sometimes ask you how your *My Life Story Book* is going, or want to meet with you to help you do some things in it. You can also ask other people like your mum or dad, grandparents or other family members to help you with your *My Life Story Book*.

Q. What will happen to My Life Story Book if I move?

A. Your *My Life Story Book* should always go with you if you move. It is yours to keep and add to as you grow up. If you have given it to your carer or caseworker to look after, make sure you ask them for it back when you move. You can also ask your caseworker to send it on for you.

If you have any other questions about how to use *My Life Story Book* and you can't find the answers here, your carer or caseworker might be able to help.
